Finish

- Self declaration finish. Please email finish time to:
sailingadmin@doscuae.com
- Must submit finish time at the earliest opportunity and within the protest time limit.
- Boats Must finish through the Club Finish Line (Transit).

Finish

The club line is a transit of the mobile phone mast (with red aviation light) and yellow special marker on the end of the breakwater (with yellow navigation light).

The club line extends 500m/0.27NM from the end of the breakwater and boats should start/finish within this distance. Laid inflatable STF marks the limit of the 500m/0.27NM and when laid, boats should start/finish within this mark, but the start line and finish line will be the transit, and finish times should be taken when the transit is crossed, irrespective of when the mark is passed.

'Club Line, N-S' denotes crossing the line from North to South.

'Club Line, S-N' denotes crossing the line from South to North.
